

CURRICULUM VITAE

Daniel Jacobus Maree

July 2019

Personal Profile

I am currently a final year BTech IT Student at Nelson Mandela University In Port Elizabeth. I specialize in Software Development and IT Management Aspects.

I am a well motivated and strive to be successful in all aspects of life. I am goal driven, inspired by my excellent planning and organizational skills. This serves as the main driving force behind the achieving of my goals.

I see myself as an excellent team player when it comes to working in groups, being able to communicate effectively to help achieve quality team goals. I set very high standards for myself, as well as others. I am a man of integrity, which allows me to be an active and responsible member of a team.

My good communication skills, as well as respect for my fellow human beings, will allow me to be able to forge a successful career in IT and Software Development.
